 - » Trash Cans with Ball-Bearing Slides
 - » SSFLS Stainless Steel Floating Shelves

Construction Specifications

Doors and Drawer Fronts:

Doors and drawer fronts in the Allure line are made of solid wood stiles and rails joined together using mortise and tenon joints with an MDF center panel to reduce the possibility of shrinkage and is the preferred material for painted finishes.

Hinges:

All Allure door styles come standard with Blum Compact Clip Concealed Hinges and feature Quick-Release Technology with Blumotion Soft-close. Hinges are six-way adjustable and open at 110°.

Please note: Lazy Susan, Easy Reach, and Pie Cut cabinets do not feature the soft-close mechanism.

Drawers:

The Allure line includes a 5/8" thick solid wood dovetail drawer box with a 3/8" plywood bottom attached to Tandem plus Blumotion full extension soft-closing concealed drawer runners. Interior drawer height is 3".

Shelving:

18mm (3/4") thick select veneered plywood with matching wood veneer edge banding is used on all wall, tall, and base cabinetry where applicable. The adjustable shelves are supported by metal shelf clips. All standard depth base cabinetry includes an 18" deep adjustable shelf, wall cabinetry 10 5/8" deep adjustable shelves, and tall cabinetry 21" deep adjustable shelves.

Cabinet Sides, Backs, Tops and Bottoms:

1/2" thick veneered plywood with natural finished interiors, dovetailed side panels engineered to create a solid integrated cabinet box. Backs are stapled and screwed into place for additional support.

Face Frame:

3/4" x 1 1/2" solid wood stiles and rails jointed with glue and dowels. Back of face frames are dovetail grooved to accept side panels. The face frame is engineered so that the bottoms of all base and wall cabinets are flushed with the top inside edge of the face frame creating a custom look.

Toe Kick:

Base and tall cabinets are constructed with 3/4" x 4 1/2" unfinished plywood* toe kick. Additional 8-foot lengths of 1/4" toe kicks are available in matching color to our cabinetry.

Panel Beams:

2 1/2" x 1 1/2" plywood* panel beam is fastened into a dovetail groove at the top of each base cabinet to ensure a straight fully integrated side, and for use of support and mounting of a countertop.

* May come in finish other than natural ply, this does not denigrate the quality of material or structure of the cabinet.

Construction Specifications

- 1 Solid wood door and drawer front frames are mortise and tenon.
- 2 Compact Clip Hinges with Quick-Release technology. Includes Blumotion soft-close mechanism integrated in six-way adjustable hinges. Hinges open at 110°
- 3 5/8" solid wood dovetail drawer with a 3/8" plywood bottom features Tandem plus Blumotion full extension concealed drawer runners.
- 4 3" interior drawer height.
- 5 3/4" x 1 1/2" solid wood face frame.
- 6 1/2" veneered plywood back with a natural finished interior.
- 7 1/2" unfinished plywood side panels dovetailed into face frame.
- 8 18mm (3/4") veneered plywood adjustable shelving with matching wood veneer edge banding.
- 9 3/4" x 4 1/2" unfinished plywood toe kick attached to cabinet. Matching 1/4" Toe Kick cover to be ordered separately.
- 10 2 1/2" x 1 1/2" plywood* panel beams dovetailed into the side panels for strength and stability.
- 11 Base cabinet has 18" deep shelf.
- 12 When placing an order, need to select exposed sides; Right, Left or Both. A 1/4" select medium-density fiberboard panel will be applied to the selected side(s), and the side will be near flush finished.
- 13 Doors and drawers are full overlay
- 14 Wall cabinet has a full overlay door. Crown molding should be installed using STRM-8 Starter Molding or similar molding bracing.

* May come in finish other than natural ply, this does not denigrate the quality of material or structure of the cabinet.

What exactly defines a Q12 cabinet?

To fully achieve Q12 eligibility, a cabinet must encompass twelve unique standards of quality. Read below to learn more about the twelve fundamental pillars that establish the Q12 qualification:

Q1: CAREFULLY SELECTED ELEMENTS

To ensure the absolute integrity of our product, each element is carefully selected. We start by choosing only "Grade-A" materials and make no compromises along the way.

Q2: PRO-TOUCH TECHNIQUES

Our Allure and Illume cabinets offer high-end finishes that are as beautiful as they are durable and practical. Fabuwood's distinctive pro-touch techniques allow for a sustainable and resilient cabinet finish that is not only easy to clean but will retain its beautiful luster for years.

Q3: ADVANCED CONSTRUCTION

Our Allure Dovetail and Illume Threespine® construction methods are superior, innovative, and built for a lifetime of use. Fabuwood offers cabinets of the utmost strength, on par with the highest industry standards. Our attention to detail, coupled with advanced construction techniques, means a long lasting, superior quality cabinet every time.

Q4: ANTI-WARP STRUCTURES

All our cabinets are engineered in a way that eliminates warping, ensuring the cabinets hold up against elemental pressures. Crafted to perfection, every detailed component is created with unfailing durability. Each cabinet we produce is held to a high standard, ensuring long-lasting reliability.

Q5: METAL SHELF CLIPS

To maintain a maximum level of stability that preserves a shelf's longevity, these metal shelf clips assure sturdiness and durability. With this feature your shelves are sure to stand the test of time.

Q6: TOUGH BACK BUILDS

For superior structural longevity, the back builds on the Allure and Illume series are built tough and easy to install. Our rigorous pressure testing guarantees that our products won't give in.

Q7: FLUSH FIT

To achieve an attractive appearance that is convenient and practical, our Q12 cabinets are built with a flush fit to ensure smooth surfaces and easy in-and-out access.

Q8: UNIQUE INTERIORS

The interior finish of our cabinets is as important as the exterior. Fabuwood offers high end, unique interior finishes for a clean and sophisticated look.

Q9: ONE-CLICK INSTALLATION

In addition to our soft-close action feature, the cutting-edge Blum Compact Clip Hinge allows for lightning-fast one-click installation and release.

Q10: FLUID FULL-EXTENSION

Our cabinets are built with smooth full-extension glides to guarantee an enhanced running action that maximizes its storage to full capacity. Fabuwood manufactures its cabinets with Blum's tandem plus runners and soft-closing technology, utilizing space while also preventing damage and deterioration.

Q11: EZ LEVEL DRAWER FRONTS

On both framed and frameless products, to achieve an aesthetically graceful balance and ensure proper drawer alignment and function, our cabinets use an effortless system, utilizing a degree of mechanical precision for installing perfectly positioned drawer faces.

Q12: LIMITED LIFETIME WARRANTY

Our integrity-defining limited lifetime warranty is our commitment to quality and excellence. The warranty reflects our pledge to always back our cabinets while delivering an immaculate product. With precise crafting techniques, Q12 cabinets are poised for a lifetime of use.

Limited Lifetime Warranty

COVERAGE OF WARRANTY

Fabuwood Cabinetry Corp ("Fabuwood") is pleased to provide the following limited warranty to the first residential purchaser of all cabinets imported to and assembled and sold in the United States by Fabuwood. This warranty does not cover cabinets sold or shipped outside of the United States and Canada. A residential purchaser is a person who purchases and installs the cabinets in a dwelling that is owned and used by that person as a primary or secondary home, or, in the case of a developer or builder, this limited warranty may be assigned to the initial purchaser who uses the dwelling as a primary or secondary home. This warranty, however, is not transferable to subsequent owners of the home. This limited warranty is subject to all limitations, exclusions, disclaimers and procedures set forth herein.

LIMITED LIFETIME WARRANTY (Only on Allure and Illume series cabinets): Fabuwood warrants to the original purchasing consumer that all Allure and Illume series cabinets purchased from Fabuwood will be free from all unnatural defects in material and workmanship in accordance with the Fabuwood quality standards sheet under normal residential use as long as the original purchasing consumer owns the home in which such cabinets are installed.

EXCLUSIONS

THIS WARRANTY SUPERSEDES ANY AND ALL PREVIOUS WARRANTIES BY FABUWOOD AND CONSTITUTES THE EXCLUSIVE REMEDY AGAINST FABUWOOD FOR ALL DEFECTS, DAMAGES AND WORKMANSHIP. THERE ARE NO IMPLIED WARRANTIES EXTENDING BEYOND THE TERMS OF THIS WARRANTY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FABUWOOD SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL COSTS, EXPENSES OR DAMAGES (INCLUDING LOST PROFITS), EVEN IF THIS LIFETIME LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE. IT IS POSSIBLE THAT ONE OR MORE OF THE LIMITATIONS AND EXCLUSIONS IN THIS WARRANTY MAY NOT APPLY TO YOU. THE LIMITED LIFETIME WARRANTY ON ALLURE AND ILLUME SERIES CABINETS APPLIES ONLY TO PRODUCTS PURCHASED ON OR AFTER 01/26/2023.

LIMITATIONS

This warranty shall become void if the cabinets, cabinetwork, drawer slides or hinges are modified from its original form, improperly installed or damaged prior to or during the installation, or used in any way other than for residential purposes. This warranty covers only parts and materials of the cabinets as supplied by Fabuwood. This warranty does not cover any products used or installed in connection with cabinets, such as gas or electric appliances, countertops, or plumbing fixtures. This warranty does not apply to products installed in locations that do not maintain year-round environmental controls. This warranty shall not apply to damages caused by transportation, storage, dirt, chemicals, exposure to moisture, humidity or excessive heat or cold, nor does it cover the effects arising from normal wear and tear, misuse, neglect, accidents, alterations, improper use or failure to maintain properly, house settling, or acts of God. No installer, retailer, distributor, agent or employee of Fabuwood has the authority to alter the obligations or limitations in this warranty.

QUALITY STANDARDS

This warranty covers all damages and unnatural defects that are deemed as such under the current Fabuwood Quality Standards sheet. The current Fabuwood Quality Standards sheet is available for download in the dealer login section of the Fabuwood website (www.fabuwood.com), which should be reviewed at each time a claim for warranty service is being considered. Fabuwood reserves the right to modify or change the Fabuwood Quality Standards sheet at any time without notice.

DISCLAIMERS

The following is a brief recap of some of the characteristics of the wood and finishes on the cabinets you are about to purchase. Please read them carefully. If some of these characteristics concern you, please choose something else. We bring these characteristics to your attention so you will realize that Fabuwood will not be held responsible for these variations in your cabinetry. It is important to note that wood products claimed as defective are most often the result of atmospheric conditions such as excess moisture and humidity.

Fabuwood strongly recommends testing the intended location of the products for such conditions prior to installation.

WOOD AND COLOR VARIATIONS: Wood is a product of nature, and since no two trees are alike, cabinets may vary in color, texture and grain. Wood characteristics naturally occurring such as variations in color, grain, mineral streaks, pinholes and knots are not considered defects. Color variations in cabinets are also a natural occurrence due to species, age, character of cabinets, and exposure to UV light, smoke, certain household cleaners, sunlight, extreme temperatures, and other environmental conditions. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets. This may result in overall color variations, but is not considered a defect.

WOOD DOORS, DRAWER FRONTS, AND FACE FRAMES: Wood by nature will undergo expansion and contraction movements over the years as it compensates and adjusts to ever changing atmospheric humidity and temperature conditions. It is very common for center panels on doors to shrink, expand or move during these changes. Typically, the panel will return to its normal position within a year once it has adjusted to seasonal changes. It is for these same reasons that it is very common for doors to warp during these periods. Doors that are warped up to 1/4" are not considered defective. [Note: It is advisable to check if the door was properly installed, since doors that appear warped are very often the result of improper installation.] Painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint areas, and cabinet colors may darken or lighten over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this lifetime limited warranty.

PAINTED FINISHES: Plywood is a non-porous, smooth grained wood. Additionally, wood by nature undergoes periods of expansion and contraction while it adjusts to atmospheric conditions mentioned above. As such, finish stress lines may become visible on painted cabinets especially at the joints. Any such occurrence is not considered a defect.

GLAZED FINISHES: A glazed finish by character is an uneven finish. Some edges and profiles will be larger than others and glazing may vary cabinet to cabinet, door to drawer and item to item. This may result in overall color, texture, and finish variations but these are not considered defects.

WARRANTY PERFORMANCE

If a defect does occur within the terms and conditions of this warranty such defective part will be repaired or replaced by Fabuwood at its sole discretion. Fabuwood will not provide or pay for the cost of removal of defective product, transportation of defective, repaired or replaced product or installation of repaired or replaced product. If it is not commercially feasible to repair or replace a defective product, we may refund the original price paid by you for the defective product, or provide a credit towards a similar type of product sold by us. Fabuwood will not be responsible for any shipping damages to the defective, replaced or repaired product. If defective item has been discontinued or is not available at the time, Fabuwood reserves the right to replace the item with the most similar item available in Fabuwood's inventory at that time. Fabuwood reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured. Fabuwood cannot guarantee that the finish of any replacement will exactly match the finish and appearance of the defective item due to the natural ageing process of the wood and finishes of the cabinets. Fabuwood may require at its discretion that the customer submit a clear photo, or that a company representative inspect the item being claimed before honoring this warranty.

CLAIMS

To submit a claim covered under this warranty, the claim must be filed through Fabuwood's EZ pricing system by the original Fabuwood-authorized dealer. In case the original dealer cannot be identified, or they have closed down, the warranty claim, must be emailed to customerservice@fabuwood.com. The email should explain the issue and include pictures showing the claimed defects. Feel free to call 201-432-6555 ext. 1 for assistance.

NOTE

Please do not send back any items to Fabuwood prior to receiving proper authorization from customer service. Fabuwood takes no responsibility on any items sent back to Fabuwood without proper return authorization.

Last Modified: 01/26/2023: Change of limited warranty duration from 5-years to the original purchaser of the cabinetry for as long as they own their home.

CONSTRUCTION DETAILS:

Hood Ventilation Systems

250 CFM STAINLESS VENTILATOR

ITEM

RHBB 250 CFM

- Works with Fabuwood Stainless Steel Interior Hood Liners
- Available for all Fabuwood Allure Wood Hoods except RHA483021
- Efficient 300 Max Blower CFM operates at 3 sones at normal speed
- Bright 1-level, heat resistant LED modules enhance your cooking experience.
- 2-Speed rocker controls operate the fan speeds
- Easy-to-clean, fully enclosed bottom with dishwasher-safe aluminum mesh filter
- ADA compliant, remote operation is possible using a standard UL approved wall switch. Requires ADA adapter kit, HAWSK3 (sold separately, contact Customer Service Team to request Custom Accessory)
- Optional non-duct recirculation kit (RHBB DCT) and filters (RHBB FLTR) available for indoor exhaust recirculation to suit your needs.
- Comes with Broan-NuTone one (1) year Limited Warranty. Refer to installation guide for full details.

NOTE: Dealers should refer to the Heating Appliance Manufacturer's Specifications for individual ventilation requirements. Fabuwood is not responsible for improper blower selection or installation.

400 CFM STAINLESS VENTILATOR

ITEM

RHBB 400 CFM

- Works with Fabuwood Stainless Steel Interior Hood Liners.
- Available for all Fabuwood Allure wood Hoods
- Powerful 450 MAX Blower CFM operates at 1 sone at normal speed.
- Bright 1-level, heat resistant LED modules enhance your cooking experience.
- Up-front 3-Speed rotary controls makes operation easy.
- Dishwasher-safe aluminum mesh filters feature quick-release latch for easy removal.
- ENERGY STAR certified custom range hood insert.
- Optional non-duct recirculation kit (RHBB DCT) and filters (RHBB FLTR) available for indoor exhaust recirculation to suit your needs.
- Comes with Broan-NuTone one (1) year Limited Warranty. Refer to installation guide for full details.

NOTE: Dealers should refer to the Heating Appliance Manufacturer's Specifications for individual ventilation requirements. Fabuwood is not responsible for improper blower selection or installation.

Hood Ventilation Systems

600 CFM STAINLESS VENTILATOR

ITEM

RHBB 600 CFM

- Works with Fabuwood Stainless Steel Interior Hood Liners.
- Available for all Fabuwood Allure wood Hoods
- Broan® SmartSense® Auto Operation adjusts the fan speed based on the heat coming from your range so you never have to worry about adjusting the speed while cooking.
- Powerful 650 Max Blower CFM and Ultra-quiet 0.5 sone at normal speed.
- WiFi connectivity enables hands-free operation with voice activation using Alexa or Google Assistant.
- 4-Speed back-lit soft touch control features a smooth, easy-to-clean surface
- Bright 2-level, heat resistant LED modules enhance your cooking experience
- Dishwasher-safe hybrid baffle filter offers superior grease capture.
- Code Ready Technology adjusts CFM down to 300 to meet make-up air codes.
- ADA compliant, remote operation is possible using a standard UL approved wall switch. Requires ADA adapter kit, HAWRK5 (sold separately, contact Customer Service Team to request Custom Accessory)
- Optional non-duct recirculation kit (RHBB DCT) and filters available for indoor exhaust recirculation to suit your needs.
- Comes with Broan-NuTone one (1) year Limited Warranty. Refer to installation guide for full details.

NOTE: Dealers should refer to the Heating Appliance Manufacturer's Specifications for individual ventilation requirements. Fabuwood is not responsible for improper blower selection or installation.

INTERIOR DUCTWORK KIT

ITEM

RHBB DCT

- For ductless application of Broan® RHBB Blower Inserts
- Provides use of an insert in an application where it is not feasible to duct a range hood to an external location
- Includes a RHBB FLTR charcoal filter, a soffit grille, a 90-degree stack boot, a 7 in. round duct and a 6 in. to 7 in round transition
- Use with RHBB FLTR replacement charcoal filter
- Refer to the Installation Guide provided with your range hood for proper installation and maintenance

NOTE: Fabuwood recommends that all hoods be vented to the outside - consult local building codes & Heating Appliance requirements prior to ordering.

PAINT

- Available in Blanc, Dove, Frost, Indigo, Linen, Nickel, Oyster & Stone painted finishes
New! Now available for Express Custom Colors.
- Can be ordered by the Pint or Quart. Quart sizes will be shipped out in the equivalent amount of 1-Pint size cans to fulfill the order.

DISCLAIMER: Fabuwood takes no responsibility for improper application and/or imperfections caused by using this item. Touch-ups & Finishing applications are recommended to be completed by a qualified cabinet installer.

NOTE: Paint for Express colors will not come Pre-Catalyzed. Will come as Paint and separate Catalyzer with instructions on how to mix.

PAINT SPRAY CAN

ITEM

PSC

- Available in all stock Signature and Custom Express Color finishes.
- Paint Spray Can can be used for general touch-ups. Suggested Uses: Spraying the edges of molding before installation, cosmetic touch-up after installation, spraying the edges of TK8 or loose PAN-1/4 finished end skins.
- Note: Not intended to be used to refinish a cabinet or accessory such as trim moldings.
- Due to the complexity of Fabuwood finishes, Paint Spray Cans are not available for stained finishes.

DISCLAIMER: Fabuwood takes no responsibility for improper application and/or imperfections caused by use of Paint Spray Can. Touch-ups are recommended to be completed by a qualified cabinet installer.

POWER SUPPLY STARTER SET

ITEM

LED SKIT WLS 1Z

LED SKIT WLS 2Z

LED SKIT WLS 3Z

LED SKIT WLS 4Z

- Power Supply Starter sets with Zone Controls come with the following components:
 - 40w Driver, 24V with power cord
 - 2m (6.5ft) Extension Lead to Connect First Light
 - 4-Port Mesh Distribution Box (Bluetooth-enabled, pairs with Wall Switch)
 - One (1) Preprogrammed Wall Switch with Dimmer Function
- Starter Sets should be ordered based on the number of Lighting Zones needed. Starter Kit components quantities are based on zone quantity.
- Each Power Supply Driver requires a 110V standard power outlet
- If more than (4) zones are needed: purchase additional Power Supply Starter Sets depending on additional quantity of zones needed. Additional Wall Switch LED WLS SWITCH is available for purchase.
- Consult the following page or the Ordering Guide for instructions on determining zones and for layout examples.

NOTE: Maximum amount of 10ft per zone is advised. Cabinetry runs greater than 10ft are considered 2 zones (or more).

Installation by a qualified cabinetry installer or electrician is recommended

ADDITIONAL WIRELESS WALL LIGHT SWITCH

ITEM

LED WLS SWITCH

- Leviton Decora-style Wall Switch with Dimmer Function

Note: Installation by a qualified cabinetry installer or electrician is recommended.

Under-Cabinet Lighting

ORDERING GUIDE

Ordering Loox Kitchen Lighting can be completed within a few steps. We will outline those steps below so that you can specify the products that work best for your kitchen.

DETERMINE ZONES

Determine how many total light zones are in the kitchen; a zone is determined by a continuous run of cabinets. Any separation in the wall cabinets including windows, range hoods, doors, etc. creates a break and may create another zone. If a zone is greater than 10' consider it 2 zones. Make sure there is a 110 V power outlet for each zone either in the cabinet or immediately above the cabinet. See examples of zone illustrations below:

Modifications

Cut Modifications

ITEM

CUT-BASE

- Reduce depth of base cabinet (min. depth 12")

ITEM

CUT-SBASE

- Reduce depth of sink base cabinet (no min.)

ITEM

CUT-DBASE

- Reduce depth of drawer base cabinet (min. depth 12")

ITEM

CUT-WALL

- Reduce depth of wall cabinet (no min.)

Cut Modifications

ITEM

CUT-TALL

- Reduce depth of tall cabinet (no min.)

ITEM

CUT-COLUMN

- Reduce depth of column (specify depth)

ITEM

CUT-DOOR*

- Cut out center panel of door for glass insert (per door, glass not included)
- MATCH-INTERIOR must be added separately
- Not available for Luna

Note: For Luna door style, enter as a Custom Door and select 'Prepped for Glass' as the Center-Panel option.

ITEM

CUT-BASE HEIGHT

- Reduce height of base cabinet by cutting off top drawer (total base height: 28-1/8")
- Designed to create a base cabinet that can be used with a Range Top appliance

NOTE: Modification is only available for Base cabinets with a standard top drawer. Not available for 2-Drawer Base, Farm Sink, or File Drawer.

Cut Modifications

ITEM

CUT-TK

- Reduce toe kick height
- Specify total cabinet height when selecting modification.
- Will ship Toe Kick loose if full height of toe kick is removed.

ITEM

CUT-ROD

- Reduce depth of rollout drawer (specify depth of cabinet)
- CUT-ROD modification will be automatically added when CUT-depth reduction has been applied to a cabinet with a ROD accessory selected.
- Roll Out Drawer is trimmed from the back to new depth. Back panel will no longer be dovetailed.

Note: to add CUT-ROD on ROD Roll Out Drawers being ordered loose, please contact your Customer Service Teams for assistance.

ITEM

CUT-PANEL

- Cut down a panel to any size

Note: cut sides do not include edge-banding.

Contact Customer Service to request application via Custom Shop, or add **EDGE-BANDING** (QTY per L.F.) as a loose accessory item for field application.

ITEM

CUT-KD30

- Reduce depth of knee drawer cabinet (specify depth of cabinet)

Pipe Chase

ITEM
